Yes, 2 great days of MG and garage shopping. Everything in the garage is for sale. Here is a chance to load up on all of those MG items you know are missing from your collection. A lot of the books are out of print and very hard to find.

This is a chance for newer club members to get MG memorabilia that you just can't find anymore.

Mark the day and plan on attending!

MG Books

British Car Books

MG and other British models

MG artwork framed and unframed & Posters

Garage Tools & Restoration Supplies

If you see it, make an offer on it. The only thing not for sale is my MGA and trailer. Come one or both days, now is your chance to stock up!
