Happy Father's Day
Pres Msg June 2016

As it has been pointed out here in Minnesota, if you don't like the weather – wait a (hour, day, week) and it will be totally different. And May was no exception. It got so nice in early May that the gardeners among us decided spring was definitely here – so off we went, buying plants for the garden only to have the weather switch back to freezing at night with frost warnings even in the Twin Cities. And yes, I lost some plants – never expecting it to get That Bad!

But then I had cautioned about being too optimistic about the weather back in April.

In between moving plants, buying plants, trimming trees, cutting trees down, and now buying replacement plants, etc., etc.; I was busily trying to drive my MGB as much as I could to finally burn out last October's gasoline so I could get fresh gasoline in my MG. Nothing like a little MG to limit one's shopping spree for plants, and they better be short too.

So it was with optimism that I headed out a few weeks ago, for Drive Your MG(A) Day. I headed out early on the 7th of May to Isanti County for a day of numerous stops along the Unique-Boutique-Antique Tour. Our 1st Destination Drive of the year. I had a few goals for the drive, one being to finally burn out last October's gasoline so I could get fresh gasoline in my MG. Nothing like a little MG to limit one's shopping spree for plants, and they better be short too.

The Tour was very interesting with some very unique shops tucked in to some off the road places along the back country roads of Isanti County. I did the tour in numerical order (11-12 stops total). But alas, I never saw another MG or any other sport car all day – motorcycles were everywhere, but no LBCs. Apparently, boutiques and antiques shops aren't of interest to the club as a tour destination. At least I drained the gas tank and had a wonderful sunny drive. No, I didn't run out of gas – but I got as close as one would dare. My MG drew a lot of attention at the various stops, even the owner of the gas station came out to look the car over – amazing how many people know not only the make and model, but they usually guess the year correctly, too.

So, now I'm wondering about another Destination Drive – this time all the way down to Winona to one fantastic gem of a hidden art museum. The Minnesota Marine Art Museum. This museum sits on the Mississippi River and contains a surprising variety of paintings and other art works from current artists to the old Masters. I've planned nothing for this idea as of yet, because there are those in the club that don't like wandering off more than 20 miles in one direction away from home. And then there are those that love making a day of it. The complication I see is – it is 113 miles one way and takes 2:10 for the drive door to door in light traffic. So I'd consider it a 3 hours down, and 3 hours back – plus a couple hours for the museum, time for gas stops, food stops, etc., and this turns in to a long day.

Hours are Tuesday – Sunday, 10am – 5pm. Admission is $7. Guided tours available for $5. www.mمام.org for more information. As I'm retired, I'd even consider a weekday. I'd think a 9am departure from St. Paul means a noon arrival – time for lunch, head to museum for a couple hours or longer and then the drive back to Twin Cities. For now I'd like to hear if anyone is even interested for some time in Jun-Jul-Aug.

On to other business...

I hope everyone paid their 2016 dues prior to or at the Spring Kick-off Brunch, because with it now being June, anyone not paying by April 15th was potentially dropped from membership. Well, anyone – except lifetime Honorary Members that it.
And of course here comes my monthly plea or reminder that with each month of summer we get closer to the Annual Business Meeting in November, where we once again need volunteers to step forward to fill some club officer positions, for sure we will need a new president and vice president.

I did not make it to this year's InterMarque Kick-off in Osseo, but from photos I've seen on MMGG's Facebook page – it looked like it was well attended by a variety of cars. I have not confirmed that MMGG or MGs were once again the highest number in attendance.

By press time in early June some members may already be heading towards Kenora, Ontario for 2016 Rendezvous. I'm actually leaving the country with my MG for the 1st time – so this is going to be an interesting event and trip. And by the time I hit the road my exhaust system should be solid again. I'm surprised I haven't prepared my usual packing spread sheet yet – but I sure have found a lot of old Canadian coins in various containers in my house – time to return them to Canada.

Some Rendezvous attenders may also be leaving Canada and heading down to MG2016 in Kentucky. I won't be heading there; one major road trip a month is enough for me.

Don't forget to join Jim Gevay on June 17th for a Friday Sundaes drive. Details in Gazette.

Then to end out the month we have the InterMarque Picnic at Cherokee Park on Sunday June 26th. MMGG is hosting the July Picnic.

I think that about covers it for now. See ya' on the road!

Madam Vice
Here we are in our 2016 driving season. I have been terrible or the weather has been terrible, can't decide which one is true. Maybe both. I went out to start my MGB and low and behold it started right up. I tested the brakes as I drove forward and backwards (about 3 feet), turned on the headlights (they worked), then the turn signals (they didn’t work last year so I shouldn’t have expected a miracle over the winter). Now the next step is to open the gate and get my B off the carport and onto the road and in for electrical repair so I can drive it to the next Friday night sundae drive on June 17. I thought briefly about selling my prize little baby B but the last time I did that, about 20 years ago, I regretted it when it as soon as it drove out of the driveway.

There are some interesting things going on this summer that you won’t want to miss, Rendezvous in Kenora, Canada is June 10-12. This is a wonderful town. We were there a few years back and had a great time. There was lots to do and interesting places to explore and shop. The drive to get there was lovely with lots of nice little towns to go through. This is always a great event with good creative planning. Find someone who is going and get a caravan of MG’s to hook up with, it’s so much more fun.

On June 13-17 the National NAMGAR MG2016 event is in Louisville, Kentucky. There is a lot planned for this event and the location itself has some interesting places to explore. I am going to this event and we have a caravan started with Rich and Deb Leslie leading. We are planning on meeting at Denny’s Restaurant in Hudson, Wisconsin on Sunday morning September 12 at 8am, gassed up and ready to go. We would love to have anyone join our group. We plan to stay over in Illinois one night and make it to Louisville on Monday. You can either contact me or the Leslies if you would like to join our group. We plan to sell the MG Girl shirts at this event and I hope to sell out. We did real well with our sales at Niagara Falls last year. I didn’t take a lot of shirts but we did sell all we had with us. The first time we sold shirts it was in Gatlinburg, Tennessee at the last national event. We almost sold all of our shirts then so
this is a great venue for our shirts. MG Girls, come on out and help us.

June 27th is a Destination drive to a band concert in Hudson, Wisconsin led by Tom and June Moerke. Check out this month’s Gazette for more information on this drive. The Friday Sundae drives are scheduled for June, July and August so watch the Gazette for the dates and meeting places. Jim Gevay puts a lot of work into these drives and they are always great roads for our little cars.

The InterMarque picnics at Cherokee Park in St. Paul are fun to attend and you always get to meet people from other car clubs at this event. There is a picnic each month with a different club hosting each time. Our club hosted one of the picnics last year and there was a good turnout. Always the same park, often different British car owners. Check the Gazette for the dates.

The hosts for the 2016 MG Holiday party are Diane and Dave Braun and Cindy O’Brien and Randy Byboth. They have started making plans for this year’s party and you are in for a treat. Some new and different things are going to happen. No loud music or magicians or dancing bears, you should plan now to attend so you can find out what these folks have in store for us. It’s different, it’s creative and you will all like it, it’s something everyone will want to participate in. The date is December 10 at the Lost Spur in Mendota Heights. The cost is still $25 per person so put it on your calendar. There will be more information in the Gazette in months to come.

Several of the MG Girls and even some of the husbands have visited Isla Mujeres several times. Now it seems to be an annual event as several MG Girls have reservations for February 2017 again. Last year several stayed at a hotel in town and liked it so much they are going back to the same one. Another couple stayed at a resort just outside of town and loved it. There are many places to stay and lots to do on the island, beautiful white sand beaches, great food, shopping is wonderful (we have our own jeweler), visit to the animal rescue and a tour guide (that’s me) who even plans some community projects at one of the local schools. This last winter I brought home 2 Mexican poodle pups, 7 month old Sofia and one-year old Arturo. Morky gets along with both of them and my house really moves quickly now with two pups chasing each other and Morky in the mix. Ann Kline and Diane Merrill have volunteered to help me take all 3 of my kids to the island this fall and stay with me for a few days before heading back home. I can’t handle 3 under the seat in the plane by myself (what was I thinking?). Last year I had a feral cat give birth to a litter of kittens in a box on a shelf on the carport. It was like a farm in the courtyard with Arturo being very curious about the mother cat who slept under a tree in one of the cement gardens not far from her babies. If you want to come and check out the island, let me know. Dogs and cats don’t need to be included. It’s not fancy, it’s pretty laid back and the weather is very consistent in the winter time.

In November, once again, our club has its annual meeting. It will be at the Shamrock Bar & Grill in St. Paul and we really need you to come this year. Both Bob Anderson and I have reached the end of our roles on the board of the club. I think I have been Madam Vice for 6 years, going on 20, and cannot continue in this role. Neither can Bob. Not even with a 100% increase in salary (which is still $zero). I really think these roles are just figure heads of the club but I think Bob and I have just made it out to be more because it was so much fun. Really!!!! Come on out to the annual meeting, better yet, volunteer to be on the next board for our club. You can see either Bob or I for more information. Just don’t stay home because you don’t want to be on a committee, this is your club and you should have a say in who leads us. I will look for you in November. Start thinking about good candidates.

See you on the road. Safety Fast, Dawn
May is for driving our MGs

The forecast for all of the middle week of May sounded too good to be true and I wanted to take advantage of it with a MG drive. I put the idea up on the MMGG Facebook page and on the MG web site and Andy also helped out by e-mailing the membership. I didn’t expect many responses at the last minute as I know most people have other priorities and responsibilities. Either way, if a group showed up, or, no one at all, Kathy and I were going to drive it and have a nice day.

Well, a few people were interested and able, namely David and Leslie Scott, Bruce and Carol Benson and Glen Peterson. We left White Bear Lake eastbound on 96, drove north past Big Carnelian and Square Lake, through Scandia and eventually through Osceola. From there we travelled small country roads between 35 and the St Croix River, stopping at a picturesque lake for photos. Still south bound, we crossed the Apple River NW of Somerset and eventually onto 35/64 and into Stillwater.

We had a nice lunch on the outdoor patio at P.D. Pappy’s on the river, two blocks north of the lift bridge. Kathy and I had a nice time getting to know some of our other MMGG members that we sometimes don’t see often. It was also the perfect day to be eating lunch outdoors next to the river.

The drive itself took about 1:50, including the 10 minute stop at the lake. It didn’t take too long to put together a drive, just find a destination and then a place to leave from, and try to link them up with interesting roads. I had fun putting this drive together; I hope everyone else enjoyed it as much as I did.

Upcoming Events – Friday Sundae Drives

Friday's Sundae drives for 2016
By Jim Gevay

Summer is finally here, and that means it’s time for fun with friends, drives in our MG's, along with some ice cream. Each year it’s a bit of a challenge to come up with 3 new interesting drives, so I’m going to repeat one drive from 2013. The July and August drives are all new with different and interesting destinations though. As in all the previous years, the dates are easy to remember, they’re all on the 3rd Friday of each summer month. We meet at 7 pm and drive soon after that, all the drives are on paved roads with a mix of city, suburban and country roads.

There are no rain dates and if the weather looks stormy, the drive is cancelled. Information about the drives is also on the MMGG web site.

The June 17th drive is a repeat from 2013 and starts at Jimmy John’s on 13300 Bass Lake Rd and 494 in Maple Grove. We drive north around Weaver Lake and down through Hamel and Loretto, and around Lake Independence. We work our way back towards the city by way of Medina Rd to a Dairy Queen on 4000 Annapolis Lane in Plymouth.

The July 15th drive starts at a Bakers Square across from the Ford plant on 2249 Ford Parkway. We drive across the bridge to West River Rd and up the Mississippi and then cross back over the river on either the Franklyn Ave bridge or the 10th St bridge, depending on road construction. We drive through part of the U and back down East River Rd. Past 7th St and then north on Edgcombe Rd, west on Randolph to Nelson’s Ice Cream store at 454 Snelling Ave. Just like Nelson’s in Stillwater, they’re known for their large portions.

The August 19th drive starts in the north parking lot of Target on 7841 Amana Trail in Inver Grove Heights. That’s 1 block NW of So Robert Trail and Highway 55. We drive SSE through country roads and eventually east into downtown Hastings. We have to circle around the block in town to get onto Highway 61 North, up Manning Ave/95 for a short distance, and then back onto quite country roads, ending at Old Tyme Fudge and Ice Cream on 8800 E. Point Douglas Rd. in Cottage Grove. Besides ice cream, they have an assortment of flavors of fudge.

2016 Pre-Rendezvous Reconnoitre

Hosted by “Chad and Dad”

The 2016 Pre-Rendezvous Reconnoitre is a drive through Northwestern Ontario, Northeastern Minnesota, and Southeastern Manitoba. The tour will leave Winnipeg, MB on June 4th and follow a clockwise route, finally arriving in Kenora, ON on June 9th in time for the start of the 2016 Sunset Country Rendezvous. The trip will pass through Fort Francis, ON; Thunder Bay, ON; Duluth, MN; International Falls, MN; Winnipeg, MB; and finally Kenora, ON.

For anyone worried about this being some kind of race or high-pressure rally, rest easy. This is simply an enjoyable drive with fellow British Car enthusiasts. As was evident during the excellent Rendezvous Rallye Superieur organized by Andy Lindberg last year, each day everyone was able to find a group of cars to travel with and drive at their own pace. Drive as fast or as slow as you want. Any British car would have no trouble keeping up.

Where possible, this year’s route was chosen using suggestions for motorcycle tours, as they tend to travel scenic highways with little other traffic. The day from Duluth to International Falls is about 30% on roads described as “curvy, hilly, more challenging paved roadways”. Each day’s distance varies, but on average the tour will cover ~375km/235miles daily. This gives plenty of time for leisurely starts in the morning, relaxed lunches, and early arrivals at the day’s destination with stops for sightseeing along the way. Even with the occasional road side tech session, no one should ever feel rushed. Total distance covered for all 6 days would be ~2260km/1400miles.

While we would love to have everyone join the drive from the start, we know that for many it will make more sense to join the tour along the route. The route was planned with this in mind, so if one wants to join in Thunder Bay, or Duluth, or any other point, feel free. For people in Winnipeg, if you don’t want to do the entire drive it would still be great to have you join on the final day for the trip from Winnipeg to Kenora.

There is no cost to register for the tour. You will pay for your own food along the way, as well as your lodging each night. Once we have an idea of how many people are going to participate, arrangements will be made for a block of rooms at a nice, but inexpensive, hotel for each night. That list will be provided so that each participant can make their own room reservations.

If you are interested in joining the tour, have any questions, or want more information, please contact myself, Chad Edwards, at C_G_Edwards@Yahoo.ca or call 204-736-2755. We look forward to seeing as many fellow LBC owners as possible!

MG2016 – Maintaining the Breed

The North American Council of M.G. Registers is pleased to announce that MG2016 will be held from June 13th-17th, in Louisville, Kentucky!

Join the North American MMM Register, the New England MGT Register, the North American MGA Register, and the North American MGB Register for four fun-filled days of MG camaraderie. Louisville is home of the “Louisville Slugger” (the official baseball bat of major league baseball), Churchill Downs (where the “most exciting two minutes of sports” is held each May), and is the source of 1/3 of the world’s supply of bourbon. Louisville will have something to offer to everyone in attendance.

Louisville is centrally located for the majority of the host registers’ members. The mid-week event will allow for travel to and from Louisville on weekends! Contracts have been secured with a group of seven hotel properties (essentially across the street from each other) that will meet your budget and expectations.

Plan to arrive in Louisville on Monday afternoon as you will not want to miss our opening ceremony that evening at Churchill Downs, home of the Kentucky Derby. (This event will have limited seating, so register early!)

Event information, registration, regalia sales, and hotel information is available at www.mg2016.com in the fall of 2015.

Mark your calendar today to save these dates. We know that you will want to be a part
