NEWSLETTER SUBSCRIPTIONS and ASSOCIATE MEMBERS

The Minnesota MG Group is pleased to announce the availability of Newsletter subscriptions and a new Associate Member status.

Members of the MMGG will continue to receive the newsletter as part of their membership. Those of you who are MG enthusiasts but, for whatever reason, do not wish to be a full member now have the option of electing to subscribe to the newsletter only.

Newsletter subscription is \$6 per year and all subscribers will be Associate Members of the Minnesota MG Group.

The subscription and Associate Member status is designed to address the needs of MG enthusiasts who wish to learn about MG doings and stay up to date on Club and other events but because of time, family, location or other reasons, are not able to attend events.

Those of you who wish to subscribe and become an Associate Member should know that you will always be welcome at club events and are encouraged to try to attend. Our conversations with many people indicate that they are sometimes reluctant to attend because their car isn't running, they think you have to be an ace MG mechanic or their car is not in concours condition. None of these are good reasons.

If you attend an MMGG event, you will find no MG snobs, just fun people who share a common interest. Enjoying new friends, sharing your interest and joining in the fun are good reasons to attend. If you have not attended an MMGG event, we hope that you will soon. Otherwise, our new subscription and Associate Member program may be just the ticket!
