1992 Vintage Rally Series

by Ed Solstad

Welcome to the Twin Cities area 1992 Vintage Rally Series. We had such a great time and received so much positive feedback from last summers Coulee Classic Rally that we have decided to expand it into a series.

The idea of vintage rallying has gained great popularity in Europe with such noteworthy events as the Mille Miglia Storica and the Pirelli Marathon plus a great number of shorter events. They are even getting into events with special forest stages as are run in the world rally championships of both today and 40 years ago.

We're taking our inspiration from these events. Taming them a bit but keeping the time speed distance format and catering to as wide a variety of vehicles as possible. The Coulee included everything from a three cylinder, two stroke DKW to a Maserati Ghibli. We're throwing in two concourse events and two auto-crosses (with our own classes) just to keep things interesting and fun. (How can one be serious when autocrossing a Renault Dauphine?)

The roads will all be paved and will include the best sports car roads that the Midwest has to offer. We promise you that you won't get bored. Some events may be restricted to vintage cars only (1975 and older) while others will be open to all years. Vintage cars will always be run in their own class. Series trophies will be awarded at the year end gathering. 1992 classes will be novice and unequipped.

The first event will start off with a rally school to bring you up to speed in the shortest possible time. We'll teach you how to stay on course (easy - these rallies will be tour types with no traps) and how to stay on time (a bit more difficult but still not hard enough to dampen the fun). We'll even have extra people at the first few checkpoints to answer questions. The objective is to show you a really enjoyable time and get you interested in rallying as an excuse to get out and enjoy driving your vintage car. After all, that's what they were designed for!

This event will be co-sponsored by the Minnesota Triumph Club and the Stella del Nord Chapter of the Alfa Romeo Owners Club.

Minnesota MG Group members are welcome to participate in this event. For information about the April 25 Stella del Nord Rally School, contact Pat Stanley at 612-822-0569.
