### **Bring Your Dad! Father's Day Sports Car Show**

**Sunday, June 21**

The Minnesota MG Group is participating in the Father's Day Sports Car Show sponsored by The Jaguar Club of Minnesota. Approximately 100 sports cars of all types will be displayed at the Galleria near Southdale. Bring your Dad (and Mom and the kids too) to look at one of the finest selections of sports cars available for viewing and photo opportunities.

**Awards:** A variety of awards and prizes will be presented of the "best of show" and "peoples choice" type. Voting for the award winners will be conducted as a fund raiser for the Methodist Hospital Foundation. Each car shown will have a "ballot" box in which the public can vote with their cash contributions. All contributions will be donated to Methodist Hospital.

**Cost:** There is no fee for entering or attending the show.

**Location:** The Galleria Shopping Center south of Southdale in Edina.

**Parking:** A special parking area will be set aside for car club members who are attending the show but not actually entered.

**Time:** Set up for show cars at 9:00 am. Show runs from 10:00 am to 5:00 pm.

Cars eligible for display must be 1975 or earlier vintage. All show cars will be displayed in the sheltered parking area at the Galleria. The Minnesota MG Group will select three or four representative member cars to be displayed in the show. All members are invited to attend and park in the specially reserved area for the car clubs participating.

**Questions:** Please call Mike Funck at 934-4950 for additional information.

1

### **Garry Carlberg**

We are saddened to inform you that Minnesota MG Group member Garry Carlberg died in April.

His wife Wendy has informed the club that she plans to keep coming to as many meetings as she can in their MGB.

## A Letter from the Editor by Mike Funck

I think it's time to pass on the baton. After more than three enjoyable years as the editor of this publication, I have recently found that the time and energy to create the best possible newsletter for the membership of the Minnesota MG Group is in short supply. For that reason, I plan to step aside as soon as one or more of you comes forward to grasp the baton and take on the responsibility.

It has truly been fun for me to put together the newsletter every month. The writing and other preparation required are things that I have enjoyed doing. It is just time for me to get going with other things.

If you are interested in taking on the newsletter as part of your contribution to the success of the MMGG, please give me a call and I will be very happy to talk it over with you.

Thank You!
