Yes, fellow MMGG members, it's my favorite event of the year ...
"WHEELS AND WINGS!"

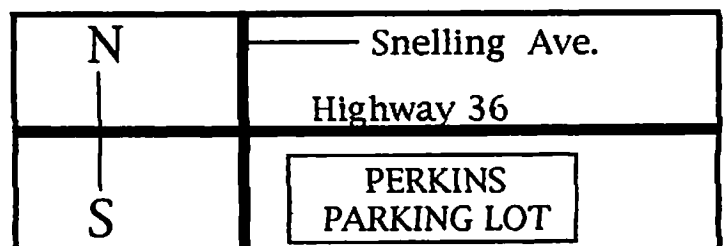

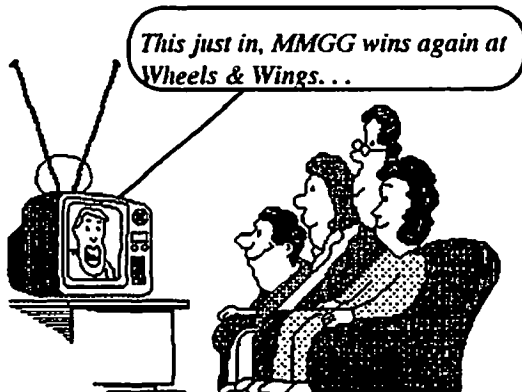

Dave Stovall

It's always something. The job takes you out of town too much. The other half and the kids take you out of your mind too much. The traffic and the noise and hustle and bustle of life stress you out to much. How about this...

You wake up excited on Saturday morning September 9th because you know that it's time to gather with your MMGG friends and head for beautiful Osceola Wisconsin for the 15TH Annual Wheels & Wings hosted by Classic Motorbooks. Or what I sometimes refer to as the Annual "Have more cars than you know who.." event that has been a favorite of this club since 1987, when the entire membership showed up in less than a dozen MG's!! Needless to say, we have come a long way. Last year was our best turnout ever, and the largest total number of cars at Classic Motorbooks in their history.

I have been told by our host for this event Randy Byboth *who by the way is trying to build a 2-1/2 car garage virtually by himself (HINT, HINT)*, that Classic motorbooks has added a new warehouse on the side of the building that we used to park on. The key to assure a place to park where we can all be together, it to get there EARLIER this year. Randy has requested we

LEAVE the Perkins parking lot on the South East corner of the intersection of Snelling Avenue and Highway 36 in Roseville NO LATER THAN 8:15

MG 95

Larry & Beth Magasano

Larry & Barb Henle and Larry & Beth Ann Magasano made it safely to Lake Tahoe for MG 95 and returned without any major incidents. Both cars ran great. Upon reaching the mountains, the Magasano car had some altitude sickness and wanted to flood on starting. However, a cellular call back to Quality Coaches from Route 80 in the middle of Wyoming, brought prompt advice for a fix that kept us starting until we again reached the flat lands. Thanks Mark, Val, Pat and the team

at Quality Coaches. Believe it or not, the Henle's had no problems, aside from a battle with water sprinklers wherever we stopped. (Larry's spontaneous combustion stories must follow him everywhere - ed.)

Highlights of the trip included Mt. Rushmore, some of the most beautiful mountains in both the Rockies and the Sierras, both rehearsal and service by the Mormon Tabernacle Choir, and 15 feet of snow at Squaw Valley. Pictures and descriptions will be provided at the next two MMGG events, consider yourself forewarned.

The absolute highlight of the trip was a well deserved FIRST PLACE trophy for the Henle Brooklands Green 77 MGB. Great job Larry & Barb.
