Interesting Stats

Jim Lymburn

If we could shrink the Earth's population down to a village of precisely 100 people, with all existing human ratios remaining the same, it would look like this:

There would be 57 Asians, 21 Europeans, 14 from the Western Hemisphere (North and South) and 8 Africans. 70 would be nonwhite; 30 white. 50% of the entire worlds wealth would be in the hands of only 6 people. All six would be citizens of the United States. 70 would be unable to read. 50 would suffer malnutrition. 80 would live in substandard housing. Only 1 would have a college education.

MMGG HOLIDAY PARTY

Jim & Joleen Lymburn

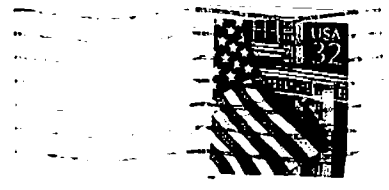

As always, we had a great turnout for the Holiday Party on January 11 at Al Baker's restaurant. The evening began with socializing with MG friends we hadn't seen in a while and eyeing the display table crowded with door prizes, auction items and assorted trophies and pictures from the past year's events. For our viewing pleasure, a video of MG racing at Silverstone was shown, and Wolf Schroeder provided a video of recent MMGG events which he filmed (much of it while driving)! After a delicious meal, Roger Karnopp presented an award to Randy Byboth for outstanding service to the MMGG during the past year and acknowledged him for the winning booth at last year's Restoration Show. Roger then invited everyone to attend an important business meeting on the morning of February 22, to discuss the future direction of the Minnesota MG Group.

The highlight of the evening finally arrived; The MG Bucks Auction! With those MG bucks burning holes in pockets, everyone got into the bidding spirit. Those who attended several events last year, and had a fist full of bucks, were able to bid on such items as a complete carpet kit, a tachometer faced wristwatch, a weekend for two at a downtown hotel and a British road atlas. Others were looking at their meager supply of MG Bucks (we all enjoyed Gordy Matson's \$10 bids)! wishing they had collected more or stopped by Gene Cooper's to get them out of their cars. We were all beginning to think we were bidding with real money.

As the MG Bucks were spent, the evening drew to a close with door prizes for many. Our thanks to the many companies who support us with their donations throughout the year. They would appreciate your patronage.
